

Mount Vernon High School Foundation Scholarship Application 2024

The Mount Vernon High School Scholarship Foundation was formed in 1983 to honor and pay tribute to graduates of Mount Vernon High School by helping students further their post-high school education, whether at a four-year university, a vocational/technical school, or a community college. Students whose post-high school educational plans may not be covered by other scholarship programs are particularly encouraged to apply.

The Foundation Board of Directors has authorized twelve \$2,500 scholarships for the 2024 graduating class.

ELIGIBILITY: An applicant must be a graduating senior from Mount Vernon High School and must be enrolling in a university, vocational or technical school, or community college.

Scholarship winners are selected based on:

1. Financial need
2. Participation in school activities and/or community service and/or work experience
3. Completion of the application and interview

YOUR APPLICATION MUST INCLUDE THE FOLLOWING:

1. A completed "Applicant Information" form (on the back of this sheet)

Also indicate if you have siblings attending college at the same time you are or any other financial circumstances that would help us understand your financial need.
